FEATURES :

UNDERARM DEODORANT (MIV404)

Hypo-allergenic Deodorant - Safe for Ultra-Sensitive Skin

Certified Natural and Organic MiVeda *Underarm Deodorant* has been formulated for 12 to 24hr odour protection for even the most sensitive skin. It is suited for all skin types and all ages. It is particularly effective for armpits prone to redness and irritation or dry, sensitive skin types. MiVeda *Underarm Deodorant* gently protects the skin from odour causing bacteria without damaging the sensitive balance of natural oils on the skin. In addition, it is pH balanced for the skin, thereby avoiding stinging normally associated with many synthetic biocidal deodorants. It provides effective protection (up to 24 hours) against odour causing bacteria, formulated for frequent use and is exceptionally gentle on the skin, resulting in a soothing effect on the skin even immediately after shaving or waxing. It improves skin hydration after repeated use.

60ml

It is ideal for : • Delicate, sensitive skin types • Skin prone to eczema and dermatitis • Daily use • Adults and children of any age • Gently soothes hyper-sensitive skin • Greater than 99% plant derived, organically certified and/or wild harvested ingredients.

HOW TO USE IT :

Apply liberally by rolling the rollerball in successive strokes across the armpit until all skin effected by odour is covered. Clothing may be immediately worn without fear of staining or leaving white powdery marks. It is suitable for repeated use all day, everyday, after bathing or anytime you feel like freshening up.
